## THIS WEEK'S OUTREACH FOCUS

John & Tricia Fraser  
in Budapest, Hungary

John & Tricia serve with Teach Beyond. Tricia is continuing her work as librarian at the International School of Budapest. Currently all but high school students are attending classes in person, and Tricia has a full schedule teaching classes and reorganizing the library. John is continuing to work with Teach Beyond's higher education department in developing theological training around the world and is also readying to defend his Ph.D. dissertation this semester.

They ask for your prayers for their family as they face the COVID crisis in various ways: Tricia and the boys dealing with disrupted learning at school, John with delayed or cancelled ministry opportunities, and Hannah at Houghton College facing a possible shut own if their COVID numbers climb further. They also ask for special prayers for their son Matthew as he's applying for colleges for next fall. Please pray also for ICSB as they need to recruit new staff for the 2021/2022 school year.

### OUR PRIORITIES

**WORSHIP** As those who are blessed to enjoy a relationship with God by grace through faith in the Lord Jesus Christ, we regularly gather in worship for the purpose of giving honor to Him.

**GROW** Because the heart of Christian growth (discipleship) involves putting God's Word into practice in our daily lives, we offer several opportunities each week to study the Bible with a view toward life application.

**CONNECT** Knowing that every person needs loving friends with whom to share life's joys and sorrows, we offer a wide range of Life Groups in which honest, supportive friendships can be established and maintained as we encourage everyone to experience church life together.

**SERVE** Understanding the biblical principle that every true Christian is to be involved in ministry to others, our goal is to help each person discover his/her spiritual gift, become better equipped to serve, and then find a meaningful place of service in the church.

**SHARE** Believing God loves all peoples and Jesus died for the entire world, we seek to motivate, equip and involve ourselves in reaching out with God's love to others in our respective spheres of influence and through our missions outreach around the world.
