Ephesians 6:21-24

### I. FINAL GREETINGS

- Tychicus, the Asian and likely Ephesian, is chosen to carry Paul's letters to Ephesus and Colossae (vs. 21; Col. 4:7-9).
- He had a good reputation in the Christian community and was active as one of Paul's traveling companions. His goal is to be an encouragement to the Ephesians (Acts 20:4-6; 2 Tim. 4:12; Titus 3:12).
- Peace, love and faith are Paul's prayer and hope for the Ephesians—all are gifts from God (Rom. 8:39; Phil. 4:7; 2 Cor. 3:13; 1 Tim. 1:14).

### Questions/Discovery Points for Life Groups/Families

#### Please read Ephesians 6:21-24

1. Paul wraps up all his letters by praying for peace/grace for the church family. What type of "peace" do you think he is talking about?
2. We talked a bit about where faith comes from on Sunday (vs. 23). What are your thoughts on that? Do we offer God faith, or does God offer us faith (or is it a both/and)?
3. What sticks out to you as your biggest take-away from our study through Ephesians?
4. Paul expresses a desire for grace to be given to those who love Jesus with a "love incorruptible" (vs. 24). What does that kind of love look like? Do you have that love? If not, how do you get it?
5. What are some application points for you from our study in Ephesians? In what ways, if any, will your life change?
